

Web Developer/Programmer - Remote Telecommute

Do you have a heart for serving? Do you strive to do things the right way? Do you consistently learn and reinvent yourself? Do you thrive independently and still play well with others? If your answers are yes, then keep reading...

InteractRV is looking to add a new member to our web development team with a passion for web application development.

Your personality and character ...

- Have an optimistic attitude about life.
- Enjoy producing independently and also contributing as a team mate.
- Desire to learn new things, accept feedback, and grow in their capabilities.
- Be determined to achieve success with integrity.
- Present opportunities/strategies that create visible value to clients and profit for the company.

A culture to grow with ...

- You'll be a member of our customer care focused Client Team.
- You'll be making a difference for families every day.
- Full-time w2 employee 100% telecommute position.
- No more traffic, pain at the pump, or water cooler politics.
- Salary based on ability and experience.
- Pay increases, bonuses, and profit sharing based on performance.
- Generous holiday/vacation pay.
- Investment account 3% company match.
- \$500 annual personal improvement benefit. (ie. fitness classes, guitar lessons, etc..).
- Provided computer, software, and tools to complement your abilities.
- A productive and rewarding working environment.

What you will be doing ...

- Contributing hands-on to our MVC web applications utilizing various in-house and commercial libraries, javascript frameworks and CSS.
- Building and extending backend system automation utilities.
- Responding to emerging client requests and performing occasional system admin duties.
- Work in a collaborative team of dedicated developers whose aim is to empower InteractRv services with high quality software.

What you will need for this position ...

- Strong .NET C# web coding skills using Visual Studio.

- Ability to write and troubleshoot SQL beyond basic CRUD.
- Strong javascript skills including jQuery coding experience.
- Considerable experience with Windows servers and IIS.
- An excellent grasp of the ASP.NET lifecycle in context of MVC applications.
- A good working knowledge of responsive design, CSS, and Bootstrap.
- Experience with Umbraco or NGINX is a plus.

Position only available to those applicants residing in or re-locating to the states of Michigan, Texas, Wisconsin, Pennsylvania, Virginia, Florida, Texas, Arkansas, or Alabama. Contractor status may be considered for the right candidate residing anywhere in the USA or Canada. H-B1 holders need not apply.

How To Apply...

If you have the talent and confidence in your abilities ... the telecommute / work from anywhere fits your personality ... **send us your resume to admin@interactrv.com along with a brief note explaining why you're interested in joining the InteractRV team and any references to articles, blog posts, websites, or code libraries you have is a plus.**

About Us...

InteractRV has been serving the recreational vehicle industry since 2001. Privately held, no debt, and profitable with 25+ professional employees all working remotely. Positioned in our industry as the premier partner provider of web technologies, digital marketing success, and Internet business development; we are passionate about helping our clients, innovative with product/service offerings, and technologically progressive. Working remotely or telecommuting is in our DNA, it's how we've done business since day one. Over time we've put tools and processes in place and developed an environment to help us work independently yet thrive together as a team. For more information visit www.interactrv.com.
