

Development Support - Remote Telecommute

Do you have a heart for serving? Do you strive to do things the right way? Do you consistently learn and reinvent yourself? Do you thrive independently and still play well with others? If your answers are yes, then keep reading...

InteractRV is looking to add a new member to our web development team with a passion for getting the most out of software.

Your personality and character ...

- Have an optimistic attitude about life and helping others.
- Enjoy producing independently and also contributing as a teammate.
- Desire to learn new things, accept feedback, and grow in their capabilities.
- Be determined to achieve success with integrity.
- Have a servant's heart, the desire to empower others thru your actions.

A culture to grow with ...

- You'll be a member of our heart-and-soul Development Team.
- Full-time w2 employee 100% telecommute position.
- No more traffic, pain at the pump, or water cooler politics.
- Salary based on ability and experience.
- Pay increases, bonuses, and profit sharing based on performance.
- Generous holiday/vacation pay.
- Investment account 3% company match.
- \$500 annual personal improvement benefit. (ie. fitness classes, guitar lessons, etc..).
- Provided computer, software, and tools to complement your abilities.
- A productive and rewarding working environment.

What you will be doing ...

- Setting up client websites using in-house software and development tools/processes.
- Aiding developers in moving/transforming data into the fuel that powers our websites.
- Managing email services, including client account configuration, new user creation, etc
- Responding to emerging client requests and performing occasional system admin duties.
- Work in a collaborative team of dedicated developers whose aim is to empower InteractRv services with high quality software.

What you will need for this position ...

- Natural technical aptitude to confidently translate written directions into results
- Strong analytical skills to get to the bottom of technical issues.
- Ability to write concise technical documentation.
- An excellent grasp of the web applications, email configuration and transferring files.
- A good working knowledge of various flavors of Windows, including Windows Servers.
- Experience with web development, including C# and HTML, is a plus.

Position only available to applicants residing in or relocating to the states of Alabama, Arkansas, Florida, Indiana, Kentucky, Pennsylvania, Michigan, Tennessee, Texas, Virginia, or Wisconsin. Contractor status may be considered for the right candidate residing anywhere in the USA or Canada. Applicants must be authorized to work in the United States.

How To Apply...

If you have the talent and confidence in your abilities ... and if telecommute / work from anywhere fits your personality ... **send your resume** to admin@interactrv.com along **with a brief note** explaining why you're interested in joining the InteractRV team. Any references to portfolio, websites, or design libraries you have is a plus.

About Us...

InteractRV has been serving the recreational vehicle industry since 2001. Privately held, no debt, and profitable with 25+ professional employees all working remotely. Positioned in our industry as the premier partner provider of web technologies, digital marketing success, and Internet business development; we are passionate about helping our clients, innovative with product/service offerings, and technologically progressive. Working remotely or telecommuting is in our DNA, it's how we've done business since day one. Over time we've put tools and processes in place and developed an environment to help us work independently yet thrive together as a team. For more information visit www.interactrv.com.
